

January 2015

To Whom It May Concern:

We had work done by Quick Handyman over two days in January 2015. We had responded to a flyer left at our front door. Coincidentally, at that particular time we had some things to repair and paint in our home of the last twenty-two years.

The contact persons at Quick Handyman were at all times courteous, professional, and friendly. The estimate was provided in a very timely fashion and the staff were always prompt in returning my calls. They were very flexible in allowing any changes, even last minute, to the work detail and estimate.

The workers who came to our home were neat and tidy, and very careful to protect our belongings. They never seemed in a rush and they completed all of the work within the time frame predicted.

It was a pleasure working with Quick Handyman! The experience was completely seamless and trouble-free!

I would absolutely contact Quick Handyman again the future were the need for their services to arise. Likewise, I am more than happy to provide this letter of recommendation on their behalf!!
